with questions or trouble registering.

## Objectives

At the conclusion of this presentation, the participant will be able to:

1. Recognize the impact of the COVID-19 on children's social, mental, physical and intellectual well-being.
2. Acknowledge the value of physically attending school on a child's personal development.
3. Identify goals for the Department of Child Services.
4. Describe new positions in the Department of Child Services.
5. Recognize the different forms of human trafficking and exploitation and the scope of the problem in Indiana.
6. Identify your role in anti-human trafficking efforts.

Parkview Health is approved as a provider of nursing continuing professional development by the Ohio Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. (OBN-001-91).
