### Pastor Appreciation

Lutheran South Unity is blessed with wonderful pastors that continually serve our school and students. Pastor Punke from Zion, Pastor Whitaker from Mount Calvary, Pastor Mann from Peace and most recently Pastor Alhersmeyer will be installed on November 22 at Bethlehem. We thank God for these men and their calling to serve God. Our students made cards and gifts for each pastor and showed our appreciation to them in their own individual ways.

### Virtual Christmas Service Taping

We will be taping our virtual Christmas service this year. Many things are different this year as we all well know but you will not be without a Christmas Program from LSUS. Mrs. Reynolds has worked endlessly preparing a different program to not only showcase our students but to also share the message of Christ and

love He has for them. This presentation will be available by the holidays!

### Let the Children Come

Our annual fundraiser, Let the Children Come is being cancelled this year due to The Covid 19 Code Orange imposed by Allen County. The health of our guests and staff are the most important thing right now and although it was a difficult decision, we feel it was the best decision.

### Pumpkin Patch Delivered

When the classrooms can't go on fieldtrips: the fieldtrips come to the classrooms. The Kindergarten, first and second grades wer visited by The Pumpkin Patch. Each child had the fun of picking their own pumpkin to take home. They enjoyed their small "harvest" and the time outside with their classmates.

### Scriptural Encouragement

*In Ecclesiastes, there is the call to plant, to love, and to work and then to enjoy the fruits of one's labors.*

*"To everything there is a season and a time for every purpose under heaven: A time to be born, a time to die: A time to plant, and time to pluck up that which is planted;"*

*As the verse continues, it reads:*

*"A time to embrace, and a time to refrain from embracing;"*

*We wait until the time to embrace returns.*

*~ Ecclesiastes 3:1-5*
