5th grade Math and Baking

One way that the 5th graders celebrated the holidays here at LSUS was to make sugar cookies. They practiced multiplying and dividing fractions with some special guests! After they did the math, they got to make COOKIE DOUGH using their calculations! Of course some flour didn't make it in the dough. Mrs. Ramsey baked each dough and the kids got to decorate and try them the next day. Were their calculations correct? Would you dare to try one to see?

Student Chapel Offerings

Thursday Chapel Offerings collected by our LSUS students and families make a big impact around the world! If every student could bring a quarter a week or whatever loose change is laying around their house it will make a big impact all over Fort Wayne and the World. December through January offerings will go to The Rescue Mission, Charis House, and L.A.M.B. (Lutheran Agency for Missions to Burmese). The Rescue Mission's mission is to provide, through the power of Jesus Christ, a home for the homeless, food for the hungry, and hope for their future. The Charis House is part of the Rescue Mission that focuses on women and children experiencing a homeless crisis. L.A.M.B.'s mission is to support and evangelize the peoples of Burma with the love of Jesus Christ by coordinating outreach missions.

Please send Chapel Offerings with your students on or before Thursdays!

Encouragement Found in Scriptures:

When they saw the star, they were overjoyed. On coming to the house, they saw the child with his mother, Mary, and they bowed down and worshiped him. Then they opened their treasures and presented him with gifts of gold, frankincense and myrrh.
