GATHERING OUTDOORS IN PRAISE

At Lutheran South Unity School, we've been blessed with the chance to enjoy God's beautiful creation by gathering outside for morning devotions and chapel while the gym finishes up construction. Worshipping together in front of the school

entrance and across the lawn has filled our days with fresh air, sunshine, and joyful praise. These outdoor moments have reminded us that no matter where we gather, God's presence is with us, drawing us together as one school family.

Heavy Lifting, Cool Results

Our students had a front-row seat to an exciting moment on campus as the final HVAC unit was lifted into place on the building. With construction in its final stages, several classes were able to step outside and safely watch the crane at work.

This last installation marks an important step toward completing the HVAC project and ensuring updated air conditioning/heat throughout the school. We are grateful for these improvements and look forward to the comfort they will bring to our students and staff for years to come.
