Smiles, Snow Cones, and Service!

Seventh graders recently visited Lutheran Life Villages, a senior living community bringing joy and building connections with elderly residents through fun, meaningful activities.

The visit included classic games, cheerful conversations, and even a mini spa session where students painted residents' fingernails. In another area, students prepared and handed out snow cones, much to the delight of residents and staff alike. Laughter and excitement filled the room during a lively balloon toss in the Memory Care unit, a simple yet joyful activity that encouraged movement and interaction.

The experience wasn't just enriching for the residents. Many students came away from the visit feeling inspired and grateful. LSUS hopes to continue building on this partnership with Lutheran Life Villages, reinforcing the

values of compassion, service, and community in the hearts of its students.
