Fall Fun and Learning at LSUS

There has been plenty of excitement and hands-on learning happening at LSUS this fall! Our students have been exploring beyond the classroom through a variety of field trips. Kindergarten - 2nd grade enjoyed a fall day at the pumpkin patch, picking out their favorite pumpkins. 3rd graders visited the Survive Alive House, where they learned valuable fire safety skills. 8th graders attended Concordia Day at Concordia Lutheran High School, getting a glimpse of high school life and the opportunities that await them.

In the classrooms, learning has been just as exciting. 5th grade students studied the Ancient Maya, Aztec, and Inca civilizations. Students wrote informative paragraphs about these civilizations and then turned them into an ancient codex. 1st graders participated in lessons about Día de los Muertos, discovering the meaning behind this special celebration and creating projects

that honored family and cultural heritage. Kindergarten and 3rd grade students are also in the middle of an exciting 5-week journey with Junior Achievement, learning about community, careers, and financial literacy through fun, interactive lessons.

We are proud of our students' curiosity, enthusiasm, and love of learning as they continue to grow both academically and spiritually at LSUS.
