

Smart paper that's ahead of the class.

When you stock Solaris Paper, your restrooms start earning straight A's. Our LoCor® towel and tissue products fit more on the core—for fewer change-outs, less time lost and reduced labor costs. To restock your existing restroom dispensers, our Livi® VPG products give you comfort and quality, at value pricing. And no matter which Solaris Paper product you choose, our Rapidly Renewable Fiber (or RRF) base fiber gives you bright, white, soft, strong products that help support your facility's sustainability goals.

- Livi® VPG rolls are individually wrapped in contemporary packaging for efficient storage and easy distribution through your facility.
- Virgin-grown, Rapidly Renewable Fiber (RRF) makes our products white, bright and soft, and meets the USGBC standards requirements to earn LEED® credits.**
- Both LoCor® and Livi® high-capacity jumbo rolls are available.

*The RRF (rapidly renewable fiber) logo is a promotional mark of Solaris Paper, Inc. and does not denote any independent or professional environmental certification(s) or certifying organization. Solaris Paper AFH towel and tissue products contain a 20% - 80% virgin rapidly renewable base fiber.

**Solaris Paper towel and tissue products are derived from rapidly renewable resources / fiber and meet the requirements of the U.S. Green Building Council (USGBC) LEED standards per compliance pathways defined in EQc7 (Environmental Quality, credit 7) of LEED EBOM (v4) and IEQc3.3 (Indoor Environmental Quality, credit 3.3) of LEED EBOM (v3). The USGBC logo is a registered trademark of the United States Green Building Council.
