

High Traffic

High fives for higher capacity.

High-traffic facilities often require a high level of attention and maintenance. With so many people coming and going, cleanliness and upkeep are a constant challenge. Our LoCor® paper products and dispensers fit more on the core, for fewer change-outs, more efficient maintenance schedules, and reduced overall labor costs.

- LoCor® paper products and dispensers help reduce change-outs and labor costs—so you can keep rolling.
- Both LoCor® and Livi® high-capacity jumbo rolls are available.
- Virgin-grown, Rapidly Renewable Fiber (RRF) makes all our products white, bright and soft, and meets the USGBC standards requirements to earn LEED® credits.**
