

Softer on your bottom line.

In a guest room, every detail counts. But for hotel and lodging management, every penny does too. Our Livi® VPG and Livi® VPG Select products offer exceptional quality. Raised embossing and upgraded sheet weight gives Livi® VPG towels a pleasant texture and more luxurious hand feel. And to help guests feel at home, our Rapidly Renewable Fiber (or RRF) base fiber gives our towels and bath tissue products superior strength and softness.

- Suitable for a variety of settings—from budget-friendly chains to upscale, boutique hotels.
- Virgin-grown, Rapidly Renewable Fiber (RRF) produces white, bright, soft and strong towels and tissue products that meet the USGBC standards requirements to earn LEED® credits.**
- Livi® VPG bath tissue packaging has a clean, modern and stylish design, to provide an upscale appearance for in-room storage. Each roll is also individually wrapped for easy restocking.

*The RRF (rapidly renewable fiber) logo is a promotional mark of Solaris Paper, Inc. and does not denote any independent or professional environmental certification(s) or certifying organization. Solaris Paper AFH towel and tissue products contain a 20% - 80% virgin rapidly renewable base fiber.

**Solaris Paper towel and tissue products are derived from rapidly renewable resources / fiber and meet the requirements of the U.S. Green Building Council (USGBC) LEED standards per compliance pathways defined in EQc7 (Environmental Quality, credit 7) of LEED EBOM (v4) and IEQc3.3 (Indoor Environmental Quality, credit 3.3) of LEED EBOM (v3). The USGBC logo is a registered trademark of the United States Green Building Council.
