

Solaris Paper®

Side-by-Side Bath Tissue Dispenser

The LoCor® side-by-side bath tissue dispenser is a high-capacity dispensing system that reduces labor costs through fewer roll replacements. Its modern design upgrades the appearance of any washroom while maximizing efficiency and delivering cost savings.

- Sleek, low profile dispensing cabinet design
- Uses high-capacity LoCor® bath tissue to save money on change outs
- Helps control product consumption and reduce waste
- Available in classic black, clean white and stainless steel finishes
